## Making First Impressions

Combining metal, wood and upholstered elements, the Eve Collection Lounge delivers form and aesthetic relevance. Linear chairs, loveseats and sofas along with one-, two- and three-person benches are also included in the Eve Collection. Each one has the option of upholstered or brushed aluminum arms on either or both ends. Alternate armless chairs and club chairs with arms for a comfortable and stylish collaborative area.

## Occasional Tables

The Eve Collection includes rectangular, oval and round occasional table solutions. Each style is offered with laminate tops or fully upholstered top options. The oval occasional table can be specified with metal spacers to achieve a floating top aesthetic.
