

# MEET THE GAGGLE®

Duck, Duck, Goose. At Foundations we're passionate about making the best child care products possible, from cribs to strollers, to gliders and changing tables. When we looked at the multichild strollers and buggies on the market we found them to be out-dated, ugly, uncomfortable, unsafe, and no fun. We thought we could do better.

Introducing the Gaggle®. Get your little goslings out on an adventure in a Gaggle®. Kids will love it for its design; they'll want to play on it, and won't be able to get enough of it. Parents will love it for the safety. Caregivers will love it for its convenience. Administrators will love it for its durability. Wow, we just gave ourselves goosebumps.

# GAGGLE®

*It's Happy Time!™*

THE GREATEST ADVANCEMENT IN CHILDREN'S BUGGIES  
IN THE LAST 30 YEARS.

**SUPERIOR SAFETY**

- Foundations exclusive QuickFit™ front of seat harness adjustment enables caregiver to easily and properly adjust harness to child. 5pt harness system with three height positions ensures secure and proper fit every time.
- Optional roof features clear moon roof that shields from rain and UV rays while allowing caregiver to view children. Roof extends over front seat to offer full protection.
- SoftStop™ brake controls both rear wheels with one hand for secure stop. Parking brake conveniently engages with second hand lever. Maintenance free stainless steel disc brakes provide years of carefree use.

**SUPERIOR DESIGN**

- Distinctive unique styling attracts children with added play value and promotes the adventurous spirit that is in the heart of all children.
- Stadium style seating ensures every child has full view of their surroundings.

**SUPERIOR QUALITY**

- Durable double walled body construction is impact resistant, provides superior strength, and will not corrode.
- Rotationally molded with UV inhibitors body will not chip, crack, or fade in any environment and is easily washed with soap and water.
- Solid steel powder coated integrated frame provides durable long lasting strength.

**SUPERIOR COMFORT**

- Generous seat sizing comfortably accommodates children from six months old to 50 pounds.
- Ergonomically contoured seats are designed with children's needs in mind. High seat backs offer support and seats are slip resistant to secure children in place.
- Comfortable foam wrapped push bar is ergonomically sized to eliminate hand fatigue.
- Gaggle infant seat securely and effortlessly latches to seats. Constructed of soft, durable foam that nestles baby and provides optimal head support.

**SUPERIOR CONVENIENCE**

- All seating positions are self loading reducing strain on caregiver. EasyLoad™ steps and handles are sized perfectly for children's hands and feet.
- Fits through standard commercial doorways to enable buggy to be loaded in classroom.
- CareFree® closed cell polyurethane tires provide quiet smooth ride while eliminating need to inflate with air.
- Rear storage trunk with flip top cover keeps all of your necessities within arms reach and out of weather.

**SUPERIOR FUN**

- It's Happy Time!™
