

URBAN LOFT Tables, Designed by KFI Studios

Barnwood
(BN Loft)

Espresso
(ES Loft)

Natural
(NA Loft)

Get the warmth and feel from real wood with these vintage tops from KFI's Urban Loft Collection. The solid wood table top is made from the heartwood of the Poplar tree for exceptional durability. Knots & imperfections add to the look and feel of vintage wood. Made in the USA.

Urban Loft Table Features:

- 1-1/4" Solid Poplar Hardwood
- Unique top with natural variations in color & grain
- Hand-rubbed stain in natural, barnwood, or espresso
- Tops are UV cured, water base finish
- Resistant to spills and stains
- Eco-friendly and formaldehyde free

Base Options:

- Standard 29" Ht, Counter 36" Ht (Select Bases) and Bar 41" Ht
- Additional base options available at kfiseating.com
