

# SCREENFLEX FULL MOTION

## ROOM DIVIDERS

The Screenflex Full Motion Room Divider is a tool for creating space that's uniquely yours. Whether you are in a classroom, office, library, or any space that needs a touch of seclusion, this freestanding divider is your perfect companion for convenient, on-demand privacy. The flexible accordion-style folding design and unique, full-motion hinge allow you to move and position the panels in a variety of configurations. Each panel is wrapped in acoustic fabric, helping facilities be more acoustically balanced while creating new spaces.
